

CADDY & DOLLY MOUNT HOSE REELS

CM Series "Caddy Mount" and DM Series "Dolly Mount" hand crank hose reels offer lightweight, compact portability for long lengths of hose.

Eliminate the task of manually coiling and uncoiling hose and easily transport it to the job site on wheels.

High pressure applications are no problem with a 4,000 PSI rating. Also, a 4' inlet hose with 3/4" female fitting and male garden adapter is available with this series for use with garden hose.

- External fluid path with machined from solid brass 90° full-flow NPT swivel inlet
- 4,000 PSI working pressure
- Swivel seals: NITRILE
- Powder coated, 1" steel tube frame structure
- Hose control bar prevents hose from slipping off the discs
- Adjustable tension brake prevents "free-wheeling"
- DM series base has holes for temporary or permanent installation
- DM series sold complete with solid 8" rubber tires for easy transport
- DM series has rubber front feet to prevent reel from slipping forward
- Removable handle on DM series allows for compact storage
- Adjustable tension brake to prevent "free-wheeling"
- Direct hand crank rewind

SIGNATURE FEATURES

- Robotically spun and ribbed discs with rolled edges provide strength, safety, and durability
- Industry leading 2-year manufacturer's limited warranty
- Made in the U.S.A.
