## The WH WARTHOGS®: Perfect Mid-Range Tools!

The **WH-1/2** and the **WH-3/4** are the same tool but offered with different inlet port sizes to match either 1/2" or 3/4" npt. The **WH** models are best for 6"-18" lines. These tools are most commonly used with small capacity combination trucks & large trailer jetties.

### Descaling Heads

Descaling Heads are available on both WH models. Please see opposite page for examples.
